Travelling Exhibits

The Prince of Wales Northern Heritage Centre has a variety of travelling exhibits to share with your community. These exhibits were developed by the Prince of Wales Northern Heritage Centre to allow community residents access to the collections and resources of the Heritage Centre.

Currently there are nine (9) travelling exhibits available for NWT communities from September 2010 until June 2011. Most of the displays are made up of framed black and white or colour photographs. A brief description of the exhibits is enclosed.

Being a venue for a travelling exhibit is easy. All that is needed is a secure public location and enough wall space to show the display for a period of two (2) months. All shipping and handling costs associated with the exhibits within the NWT will be paid for by the Heritage Centre.

If you are interested, please indicate on the attached form which exhibits you want to share with your community. **Fill in the form and mail or fax your expression of interest as soon as possible to:**
